May 2019

Dear Riviera Family,

The Easter Lilies and their powerful scent are now out of the church, but the Easter Message of hope still fills the air. The Sundays of May are the Sundays of

Easter and the four Sundays before we start our 2019 Summer Series at Riviera which are always fun.

Each Sunday in May is a Celebration. Not just of Easter, but of other events in the life of our church and its members. The First Sunday we will Celebrate Earth Day and are so happy that Janet and Annie Peterson will give a presentation about sustainable eating and living. As an Earth Care Congregation, we care about God's good creation and realize our responsibility to care and be stewards of this lovely blue planet called earth. The other Sundays include a congregational meeting to vote in Elders for vacant unexpired terms, a Mother's/Parents Day Ice Cream Social with Mimosas, the Installation of New Officers, and a meditation given by Elder Michele Ready.

And because we are a church family, we will also keep our members who are on our prayer list close to our hearts. As we enter the month of May, we are aware the Chuck Hannemann will still be in radiation and chemo therapies throughout the month and that Vivian German will still be in Arizona healing from surgeries to her broken foot and leg. Both the Hannemann family and the German families need our prayers for total healing and recoveries.

In Christ and in Love, Missy

The Rev. Martha M. Shiverick

## A Warm Welcome for Child Care Center Families

Riviera extends a warm welcome to new families in our Child Care Center with the gift of home-baked bread lovingly made by Karen Picciano and Brian Picciano(a former CCC student himself). As one new family said:

It was such a warm gesture made with love. We very much appreciated and enjoyed it! We are new to the CCC. This welcome was totally unexpected, but completely reiterates the feeling we got when we first toured. It can

be hard to leave your little one. However, we feel very appreciative of the care she has already been shown.

In addition to the Warm Welcome, we host Storytime with Pastor Missy each week. Missy or another Riviera volunteer reads a story for the 3 and 4 year olds. If you would like to be part of Storytime, please contact Missy.

The Child Care Center is a 39 year old mission of Riviera and providing, safe childcare for working families. Over 135 children attend the center each day with another 20 attending the new afterschool program. At Riviera, we know that if you educate a child, you can change the world.

### **Earth Care Tips:** Making Sense of Sustainable Coffee Labels

They're those little rectangular icons lined up on your favorite gourmet coffee bags—a tree, a flower, a frog, a harvester, each trying to tell you something about how the coffee was grown. But what does each one mean, and how do they differ?

## Stewardship

We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something, and to do it very well. It may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest.

AZ QUOTES

Per Capita is a fundamental way in which all of the nearly 10,000 congregations and mid councils of the Presbyterian Church (U.S.A.) connect, participate and share in the work of the wider church. Per capita is the primary source of funding for the Office of the General Assembly, and is how Presbyterians mutually and equitably share the costs of coming together to discern the Spirit's leading for the future. All Presbyterians are called to take part in the ecclesiastical and administrative work shared by the whole church though per capita giving. The annual rate is a per-member apportionment that is assessed biennially by the General Assembly. (Book of Order, G-3.0106) This year the per capita is

\$36 per active church member.

We want to thank all the members and friends of Riviera who have donated to the Per Capita apportionment for Riviera. Our bill is \$2880.00 so far to date we have received \$1102.00. If you are able to help pay your portion of the Per Capita you make pay online at www.rivierachurch.org, or sending a check to the church office.

Thank you for providing the means to strengthen the connections of our work, and build lasting relationships to help all Presbyterians share God's love through mission and ministry.

Most people think that churches are only used on Sunday mornings, well that is not the case at Riviera. We are a church that not only worships, provides Christian education and fellowship on Sundays but we also open our doors Monday - Saturday for families in the community via relationships with various nonprofit organizations in the community.
